

NASIBU SAIDI

FULL STACK WEB DEVELOPER
& UI DESIGNER

ABOUT ME

Innovative Full Stack Developer and WordPress Specialist with 5+ years of experience delivering high-performance, responsive, and SEO-optimized websites. Founder of WebsStarz(PrintOn Investments CC), a digital solutions agency offering web development, branding, multimedia creation, and IT services.

With strong skills in WordPress, UI/UX, custom coding, and Adobe Creative Suite, I bring a unique mix of technical and creative expertise to every project. I also provide computer repair and maintenance, ensuring complete digital support for individuals and businesses.

Proficient in using AI tools (ChatGPT, Gemini)

to accelerate research, improve content, automate tasks, debug code, and increase productivity.
